\*Students can join ROCK U at any time throughout the year provided there is A) a new band starting or B) an existing group requires their particular instrumentation. There may be a waiting period before a new session starts. ROCK U students starting outside of regular sessions will be pro-rated into the existing monthly billing cycle.

\*\*Private Lessons are not required for these programs (ROCK U 300-ROCK A+ - JAZZ U) but they are recommended. If ROCK U students are not enrolled in private lessons at TMC, they must be self-sufficient on their instrument of choice to learn their parts without instruction. Practice is what happens at home; rehearsal is putting all of those parts together.

\*\*\*ROCK U concerts and clinics/events are counted as lessons and are included in the total amount of lessons.
